Disclaimer:

1. This approval is only for OSS components used in the TCS IP Asset as specified, from licensing perspective. Any proprietary / commercially licensed software used in this TCS IP Asset is excluded from this approval. The TCS IP Asset owner needs to ensure license compatibility with such proprietary / commercially licensed software. Further, if this TCS IP Asset is used in conjunction with any other third-party product/s, the license compatibility of this TCS IP Asset with the third-party product/s is excluded from this approval. Further, the TCS IP Asset owner has to comply with the TCS policies for downloading and use of open source software - this approval is not for downloading and using OSS but is only for license compliance for the usage type specified.
2. Please ensure that the download URLs and the corresponding License URLs are verified and correctly listed and verified. Please save a copy of the webpage (with date and time stamp) from where the OSS is downloaded and the webpage which mentions the applicable OSS license and version under which the OSS is made available, in your records. The information regarding OSS, applicable copyright notices and license texts should be communicated to the licensee as part of 'Notices' and 'ReadMe' file sent along with this report. The 'Notices' and 'ReadMe' files applicable for the TCS IP Asset version should be made part of the release offered to the customer/licensee and should be updated/replaced as and when the TCS IP Asset version is updated / upgraded.
